

Hello!

Because Easter was so late, this side of half term has been quite short and we have a hectic few weeks ahead of us. Several Scouts have already been canoeing, and we are going on a bivy night (minimalist camping) on 27th May.

Unfortunately, there was not enough interest in the summer camp to justify running it, so we have had to cancel this. This is a real shame for those who were interested in coming. However, we are instead running a joint camp at Lockerley with the cubs, and I would like to see as many Scouts as possible joining us for a fun weekend where you get to put into practice all the Scouting skills you've been learning during the year.

Pulborough Camp, which is the competition camp for Romsey District, is coming up soon and following the great work our team put in last year, I hope there is plenty of enthusiasm for this camp on 17-19 June. If we're able to organise it, we hope to give Pulborough participants a little extra training sessions in advance of the camp.

You may have heard that Ian and Anneli (Akela and Raksha) are stepping down from the cub group and we are currently looking for volunteers as, without more leaders, the cub group will have to close. If you or someone you know are interested in becoming a leader—and lots of training and support will be given—then please speak to any of the scout group leaders, and pass on the need for new leaders to anyone you think might be in a position to help.

Yours in Scouting, Skip

CALENDAR

MONDAY, MAY 16TH	
Canoeing (Lakeside)	7:00PM
MONDAY, MAY 23RD
